

CERTIFICATION AGREEMENT & RULES

Agreement between DASSPL (herein referred as DAS) and _____

INTRODUCTION

DAS is a Private Limited, independent certification body for management systems certification. Although not a statement guaranteeing that the product or services actually meet specified requirements, accredited certification of a management system is a measure of compliance with the appropriate international standards.

1. SCOPE OF THE RULES OF REGISTRATION

These rules of registration are applicable to all management system audits(QMS,EMS& OHSAS) undertaken by DAS within the current scope of accreditation as detail on the accreditation board web site. In fulfilling this scope, the client agrees to supply all necessary information to DAS so that a full and fair assessment can be undertaken.

DAS assesses and certifies Client's Management system according to the standard and scope applied by Client. The registration scope shall be limited to the product, services and other activities assessed actually. In this regards, the registration scope can be changed.

2. PERSONNEL

DAS undertake to provide suitably qualified and competent personnel for all audit and surveillance activities using their own staff or suitable qualified and competent associates. All members of DAS (full-time employees, associates or local representatives) are required to sign confidentiality agreements concerning all confidential information to which they may be exposed.

3. APPLICATION FOR REGISTRATION

On receiving a completed Application Form/Request for Quotation (**QMS, EMS& OHSAS**),**DAS will go through all the information rendered by the client, in order to evaluate it against the FPP (Fit Proper Person) Test.**DAS or its local representative will prepare a quotation detailing audit cost which will be forwarded to the client along with a copy of this document. Acceptance of the quotation and *Certification Agreement and Rules* is shown by signing the Certification Rules and Agreement. On receipt of the signed Certification Rules and Agreement and acceptance of the quote, DAS or its local representative will issue an invoice to the client who in turn will make payment to DAS or its local representative. The audit will then be planned and carried out in accordance with DAS accredited management system processes. The agreement complies with all the sites addressed in the Application Form. For completing the assessment ____Manday(s) stage 1 and ____Manday(s) stage 2 will be allocated.

4. AUDIT METHOD

The first stage of the audit requires the Auditor to conduct an on-site readiness review of the client's management system to assess the documentation and if the implementation of the management system is at a level sufficient to progress to the Stage two audit.

When satisfied with the compliance of the documentation and system readiness the Auditor will produce a report and will agree a date with the client for the Stage 2 audit. The Stage 2 audit will then be conducted in accordance with DAS accredited management system processes. If further visits are required, due to non-compliances found, these will be undertaken and the client will be liable for any extra charges incurred. In case of

CERTIFICATION AGREEMENT & RULES

any Major Non Conformity recommendation for certification will be granted based on On-site Follow Up Audit. The audit will be carried out against agreed audit criteria. Once registration has been obtained the client will be under a duty to notify DAS of any changes that significantly affect the registration. DAS may re-audit if necessary (short notice) due to the significant changes or as a result of any complaint, or follow up on suspended clients. If any additional charges are incurred DAS reserve the right to pass these additional charges on to the client.

5. CERTIFICATION

On completion of the audit the Auditor will submit the report to the DASCertification Manger, who will do the administrative review of file, **as well as against Fit Proper Person test of auditor, Tech. expert, Franchisees and agents**, and present the file toDAS’s Certification Committee. The Certification Committee will make the certification decision and authorize the issue of the certificate after the Technical Review of the Client File. The certificate remains the property of DAS and is valid for three years, providing the client maintains the management system to the required standard. All certification activities and the management of impartiality are overseen by an Independent Certification Board.

6. ANNUAL REGISTRATION AND SURVEILLANCE

After the issue of a certificate, planned surveillance visits will be carried out by an Auditor at the client's premises at least annually in order to maintain registration. If areas of concern are identified, more visits may be carried out at the discretion of the DASManagement. The client agrees to meet the extra costs relating to any additional audits. A triennial re-certification audit is required to maintain registration.

The client will notify DAS without delay of any matters incurred that may affect the capability of the management system to fulfill requirements such as:

- the legal, commercial, organizational status or ownership,
- organization and management (e.g. key managerial, decision-making or technical staff),
- contact address and sites,
- scope of operations under the certified management system, and
- major changes to the management system and processes.
- To inform the DAS, without delay, of any significant events including, but not limited to fatal incidents, serious injuries, occupational disease or legal action by a regulatory authority.
- To fully inform the CAB, at the time of surveillance or recertification, of any OHS related findings by third-parties.

7. EXTENSION OR REVISION TO THE SCOPE OF REGISTRATION

This may be applied for in the same way as the initial audit, indicating the increased scope/address change of registration required. The audit will be carried out in the areas not previously audited. If successful, a new certificate indicating the new scope/address change will be issued by DAS. There will be a charge for extensions to scope/address change and the re-issuing of the certificate. Should a certified scope be reduced, the client will amend all advertising matter.
